It's a Great Day to be an EA

Well, here we are in July! And looking back over 3 months ago, who would have thought, or even imagined that we would still be in the midst of Covid-19? I have to admit I silently concluded way back then that we'd be on the brighter side of seeing far fewer new cases of this pandemic. Unfortunately, most areas of the country have recently seen dramatic increases of new cases instead. So what to do about getting the required number of CEs (CPEs) you ask? Problem solved! Many providers, from the IRS Tax Forum, NAEA Tax Summer School, and NATP TAXCON, to name a few, have gone touch-free and virtual! Check out their offerings. There is nearly something for everyone! And, after all, you can only watch the same movies so many times still thinking that the ending is different!!!

Peter Wanco, EA, MBA, NTPI Fellow
 President, NMSEA

Tossed your stimulus money? You can get it back

BY ELLEN MARKS / JOURNAL ASSISTANT BUSINESS EDITOR

An image of the pre-paid debit card that carries coronavirus stimulus money for some people. (Courtesy of EIPcard.com)

A couple of weeks ago, I wrote about the coronavirus stimulus money the government is sending to people in the form of either prepaid debit cards or paper checks.

UPFRONT

While we're all used to tossing credit or debit card offers that come in the mail, this is one time you want to open the envelope. You will know it's legitimate because it will be in a plain envelope from "Money Network Cardholder Services."

I neglected to mention, though, what to do if you do end up throwing it out. You can request a free replacement through MetaBank Customer Service by calling 800-240-8100 and choosing option two from the main menu. The standard \$7.50 fee will be waived, according to the Internal Revenue Service.

Constant Contact Distributions

NMSEA uses the mass mailer Constant Contact to distribute to NMSEA members important and informative information including

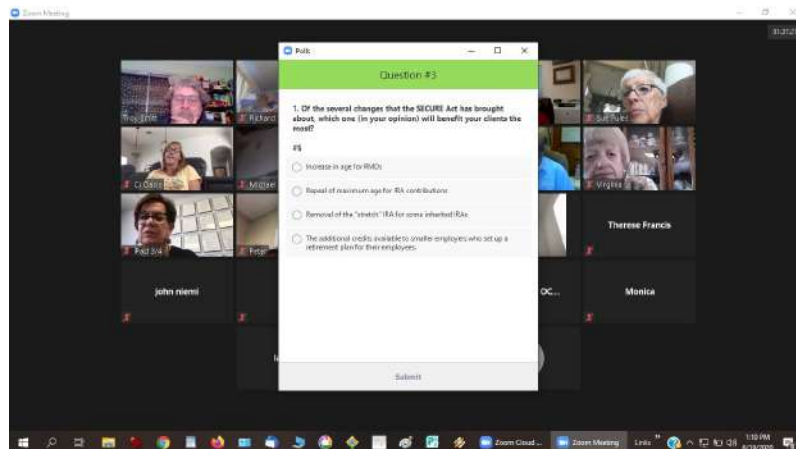

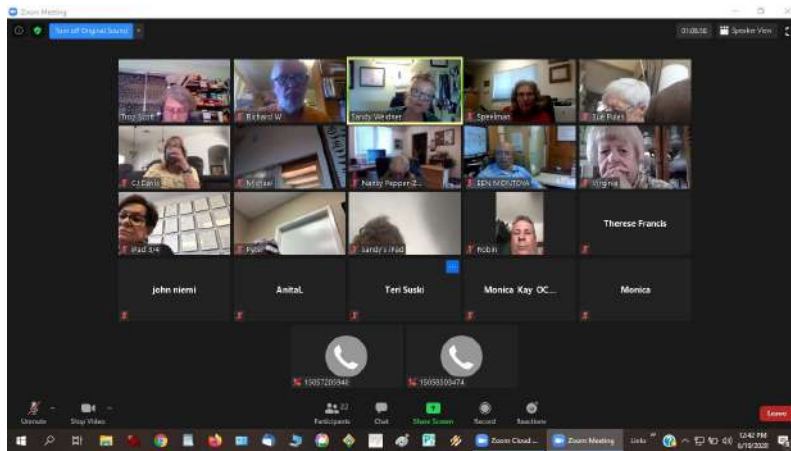

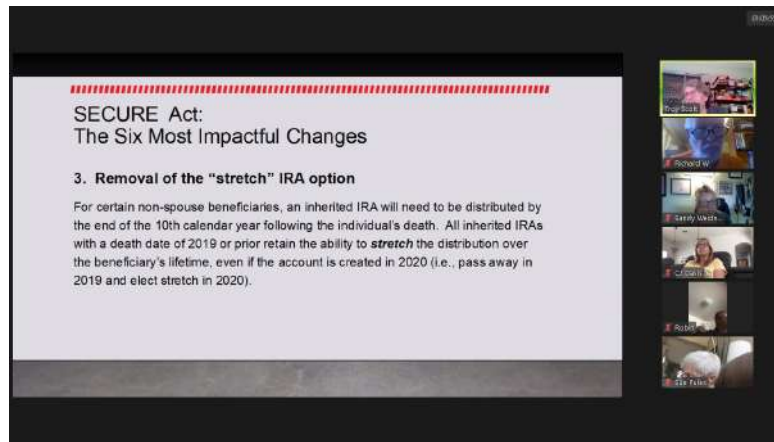

- 1) IRS releases from Lisa Novack, IRS Senior Stakeholder Liaison
 - 2) NMTRD releases from Charlie Moore, NMTRD Public Relations
 - 3) NMTRD information from Rusvelina Escalante, Tax Practitioner Liaison, NMTRD
 - 4) NMSEA Happenings newsletters
 - 5) First Friday IRS Liaison Conference Call notes
- plus any other important information that should be distributed to NMSEA members as soon as possible.

If an NMSEA member is not receiving the Constant Contact distributions, please contact Richard Wright, NMSEA Newsletter Editor at rwright77@comcast.net.

According to Constant Contact, the average Open/Download rate for our Constant Contact distributions is about 40% (about 50 of 120 NMSEA members). Some members' Internet Email Providers have problems with mass mailers. The easiest way to solve that problem is to provide Richard Wright at rwright77@comcast.net with an alternate email address.

NMSEA June Monthly Meeting June 19, 2020

NMSEA’s virtual, June monthly meeting on Zoom had 22 attendees. If our Annual Convention is allowed to be face-to-face, several venues are being considered. Welcome to our new webmaster, Libby Smith. It was decided to postpone the Pat Jenkins Shred-Fest until 2021 due to several issues including liability concerns. 80 NMSEA mousepads were sent to NM EA’s who are not members of NMSEA yet. Troy Scott, EA, gave an excellent presentation on “The SECURE Act.” (including changes to the Act by the CARES Act). During the presentation, three polling questions (picture 3 above) were presented to attendees to validate the one hour of free CPE credit. Minutes of the June monthly meeting to be published.

NMSEA's July Monthly Meeting
7/17/2020
Virtually presented through Zoom

Ideally you should use a computer with camera and microphone capabilities. However, any device should work (I pad, Surface, cell phone, etc) but the quality might not be as good. You can also call into the meeting using a regular phone.

To enter the meeting, you can either:

1. Click on the Zoom link that has been provided (cut & paste would also work) or
2. Go to Zoom.us and click on the "Join a Meeting". You will then be asked for the meeting number and the meeting password.

If you have never attended a Zoom meeting, you will be asked if you want to download the Zoom application. This app is free and should only take a few moments to install. Follow the prompts to enter your name and leave your audio and video on.

While you are waiting for the meeting to start, you can test your microphone to make sure that the audio is functioning correctly.

The meeting will open up at 11:45 AM and all of the attendees will be allowed to enter. You can use this time to wave & chat and smile at each other. Any questions that you have about the Zoom application can be answered. The President will call the meeting to order at Noon and all of the attendees will be muted at that time. Not to worry though as there will be opportunity to ask questions or add to the discussion.

After the business portion has been concluded, Troy Scott, EA will make a presentation on The SECURE Act. A FREE 1hr CPE credit will be available to those who choose to stay and watch the presentation. Yes, thanks for asking...there will be a couple of polling questions per IRS requirements. There is absolutely no charge for the education credit. Unfortunately, you will not be able to earn the CPE credit if you are using a regular phone and only have the ability to listen to the presentation.

So plan to join and to bring a beverage and/or your lunch and hang out virtually with NMSEA. This is a new adventure for your Education Team so please be patient. It might not go as smoothly as we would like it to. We will welcome your suggestions & criticisms.

Thank you,
Your Education Committee
