The Schuldiner/Smollan Leadership Academy (SSLA) has traditionally been held annually in Florida. NMSEA has several graduates of this Academy and all of them have been pleased with the leadership training that they received. This Academy has typically offered instruction in Leadership Skills, Strategic Planning, Parliamentary Procedure and more.

In 2020 SSLA will be held virtually.

There will be three webinars offered this year (12/3, 12/10 & 12/17).

Any of us can join and the tuition is absolutely FREE!
